

South African Radio Astronomy Observatory

Call to Prospective Supervisors to submit Doctoral and Masters Research Project Proposals for 2019

SARAO supports postgraduate research that is directly relevant to the scientific and technical goals of the MeerKAT and SKA Radio Telescopes.

Appropriately experienced supervisors are invited to submit research projects proposals, for 2019 Doctoral and Masters bursaries.

For more information, and to access the application form, visit:

<https://skagrants.nrf.ac.za/FPF/>

Closing date for proposals: 1 August 2018
